Respected Sir

I am writing to you on behalf of AITS, Kadapa. On **24-11-2021**, we plan to invite you to our institute to deliver a lecture on one day National Seminar on the topic **Enforcement of Intellectual Property Rights in India** to our students which will help in building their career. Personally I and some of our faculty members have heard about your lectures and the interesting themes and wish your knowledge will be shared to our students.

It would be great privilege, if you would graciously accept our invitation. We are anticipating your replay by date **18-11-2021**. I can easily be reached at 9848878540 and sasiphd@gmail.com.

Sincerely,

Sub: Organising National Level Awareness Programme 2021 at your College
on 18-11-2021 - reg.

Sir,

Kindly recall the discussion had with you by the undersigned about organizing National Level Awareness Programme 2021 (NIAP-21) which will be held at your college premises on 18-11-2021.

The main objective of this above Awareness Programme is to increase the outreach of the activities and schemes of the Ministry of MSME, Govt. of India to Engineering College Students of your institution, who will be the prospective entrepreneurs for setting up of their own enterprise in near future.

Under the above National Level Awareness Programme 2021 the Students of your Institution will be motivated to take up entrepreneurship as a career option and they will be enlightened about the schemes implemented by our Ministry of MSME, Govt. of India entrusted to organize its field office i.e., O/o Joint Director, MSME-DI, Visakhapatnam, Andhra Pradesh to organize the above programme.

In this regard as discussed with you the above National Level Awareness Programme 2021 (NIAP-21) will be organized at your College on 18-11-2021 from 10.30 AM to 12.30 PM. Hence you are requested to provide Audio/Video equipment's in your college Lecture hall /Auditorium to facilitate to accommodate at least 100 students of final/third year students of your college to participate who can avail the benefit out of the programme and fulfill the objectives.

As it was already informed that the undersigned will reach your college on 18-11-2021 morning to organise the above programme along with your nominated college team faculty members.

Yours faithfully

SEMINAR ON CONTROL SYSTEMS IN INDUSTRIAL APPLICATIONS

An event was organized by the Department of Electrical and Electronics Engineering on 19th of February 2019. The guest of honor invited was P.S.M Haneef, Lead Engineer, General Electric Company, Bangalore. The number of students participated for the event was 67 and the faculty members attend were 7. The lecture delivered by P.S.M Haneef on Control Systems in Industrial Applications was so useful to the students and career oriented aspects were also discussed.

It is our pleasure to invite you cordially as a Resource Person to deliver a seminar on "RESEARCH TRENDS IN INTEGRATION OF RENEWABLE ENERGY RESOURCES INTO GRID" on 09/04/2018, i.e., on Monday. We expect your presence on the day without which, we feel the seminar may not be fulfilled.

Hence, kindly oblige our request and it would be an honor for the college and the students.

Sincerely,

Y. NAGARAJA

SEMINAR ON INTEGRATION OF RENEWABLE ENERGY RESOURCES INTO GRID

An event was organized by the Department of Electrical and Electronics Engineering on 9th of April, 2018. The guest of honor invited was Dr. M. Sridhar, National Fellow, IIT Delhi. The number of students participated was 57 and the faculty members were 8. The lecture on the topic "Integration of renewable energy resources into grid" was explained along with the research trends in the area of power systems which helped the final year students in selecting their project topics as the topic on renewable energy resources into grid is of more significance due to depletion of conventional energy sources.
