### PLACEMENT REPORT OF 2020-21

We are very much delighted to place on record the Training and Placement report for the academic year 2020-21 of Annamacharya Institute of Technology and Sciences, Kadapa. The institute has well qualified, experienced and dedicated teaching staff members who provide education/training to students to meet the challenges of globalization. We have the state of art equipment and laboratories and well-furnished library with sufficient volumes of books required.

We are confident that, industries would find candidates/students meeting their requirements both theoretically & practically in every field of interest to their organizations. The Training and Placement Cell provides all audio visual facilities for company orientation programs, conferences, written test, group discussion and personal interviews. After confirmation by the company, a pre-placement talk and interview can be arranged on a mutually convenient date. If a company desires to hold online tests for the candidates, the arrangements will be made in the computer center on prior intimation. We have energetic and dynamic team working in training and placement cell.

The Training and Placement Cell ensures that each and every student of the institution get an opportunity to be placed in the suitable industries. They are trained and groomed to face the problems that arise during selection exams and interviews. We aim at building a complete personality in our students, professionally, socially and morally. The institute aims in achieving this goal by providing academic liberty to innovate and come out with novel ideas. We assure that the industries will be benefited from these young and dynamic minds. It gives us immeasurable pleasure to report that 108 students of 2021 batch have been selected in On- Campus and Off-Campus interviews for different industries even before they have appeared for their final year II semester exams.

### Following Activities are performed under Training and Placement Cell

### 1. Training Activities

- Campus Recruitment Training (CRT), Workshops and Seminars on Technical, Aptitude, Interview-handling skills and Interpersonal Skills.
- Career guidance talks from Corporate/Renowned speakers.
- Special Training program on communication skills, soft skills and aptitude for campus recruitment process to develop students to increase their employability skills. Personality development sessions, Organizes pre-placement talks, mock tests etc. to prepare students for final selection process.
- Arrange internships for the students.

### 2. Placement Activities

- Organizing HR meet.
- Invite corporate companies for on campus recruitment process of final year students.
- The Placement Cell acts as a catalyst by concentrating on actions that enrich the students career development and employability.
- Post selection process coordination between student and company.

### PLACEMENT REPORT OF 2019-20

Annamacharya Institute of Technology and Sciences, Kadapa placement report is a framework that aims at standardization of Reports to make them more transparent, compatible and reliable for making decisions. Reports would show clear image of Placement Activities undergoing at AITS Kadapa.

It is our great pleasure to put forward Training and Placement report of 2019-2020 of Annamacharya Institute of Technology and Sciences, Kadapa. It is necessary to ensure that our students are put on the right path for becoming valuable citizens to the real world. Training and Placement Department of AITS has the privilege of doing for the students. Training and Placement Cell presents you a group of young, dynamic individuals who have been groomed to face challenges that lie ahead for them in the industry and corporate world as a whole. Interaction with the industry is done on a regular basis as many speakers from well known companies share their expertise with our students. Our teaching pedagogy which includes presentations, case studies, live projects, educational and industrial tours and participation in seminars and conferences, sports and cultural activities which help towards acquiring skills sought after and needed by Industries.

Placement being the ultimate objective of education, we concentrate on it right from the first year itself. Aptitude Tests, Group Discussions, Personal Interviews and Personality Development Workshop give students exposure to various requirements of industries and train them in every aspect. The training and placement department ensures that each and every student of this institution gets an opportunity to be placed in some of the best companies of the nation. Our students are trained and groomed through Campus Recruitment Training (CRT) to face the ordeals arising out of selection exams and grilling interviews. Care is taken to ensure that equal opportunity is given to all. It is our constant endeavor, to provide knowledge based technological services to satisfy the needs of the society and the industry and thus help in building our national potentiality in technology and research for the development of the country.

### SUB: LETTER OF INTENT TO HIRE

Congratulations! Further to your application for Employment with Infosys Limited ('Company') and the subsequent selection process, we are delighted to communicate to you our intent to make you an offer for the position of Systems Engineer in Job Level 3 with the company. Your DoJ is December 6, 2021 and you will receive the Letter of Appointment with all the elaborates soon.

This letter of intent would be superseded by a formal employment contract. The employment contract will detail out the scope, terms and conditions of your employment with the company, break up of your salary, proposed location of posting, date of joining etc.

Please be advised that our offer to you will be conditional upon you having successfully completed your graduation / post-graduation qualification and having completed all course requirements and examinations required for the award of the educational qualification mentioned by you in your application for employment with the Company. You are required to submit all marks sheets and other relevant documents (if any), on the day you join the Company. Further, you should have been declared as passed by the relevant examination authority. Please note that the determination of the adequacy or authenticity of all or any of the proofs and any condoning delay in submission of the same will be at the Company's absolute and sole discretion.

Should you meet the conditions of employment, your Total Gross Salary includes a Performance Incentive and will be INR 360000 per annum. The complete breakdown of the compensation and increment will be provided in the Letter of Appointment.

This is a letter of intent only. It is not intended to be, and shall not constitute in any way a binding or legal agreement, or impose any legal obligation or duty on either you or the Company. Should you have any questions regarding the above, please do not hesitate to write to us at offer update@infosys.com.

Welcome to Infosys Ltd. We are confident you will be able to make a significant contribution to the success of Infosys Limited. We wish you a long, rewarding and fulfilling career and look forward to working with you.

Yours sincerely,
