1. Teaching & Learning Activities

- Departments have maintained proper documents and are in order.

a. Result Analysis of each course and semester

- Results analysis has to be carried out by the all departments and planning for improvement has to be done with special focus to slow learners

b. Attainment of course outcomes, PSOs, Pos

- All the departments should assess the program attainment levels and program assessment committee should plan for necessary actions.

2. Industry Participation

- Eminent personalities from the industries are to be included in BoS for update curriculum.

3. Workshops/ FDPs/Webinars/Conferences conducted/attended.

- Departments should also plan for conferences and training programs for students.
- Principal suggested that all the departments should conduct FDPs.
- It was also suggested to faculty to attend the FDPs conducted by premiere institutions.

4. Research, Consultancy and quality publications

- Principal informed to all the department faculties to publish articles in SCOPUS/UGC CARE LIST/WOS journals.

5. Preparation for NBA peer team visit.

- The principal requested the departments to put their utmost effort for upcoming NBA accreditation. He also requested the departments to prepare compliance report for eligible UG programs.

(Approved by AICTE, New Delhi & Affiliated to Jawaharlal Nehru Technological University Anantapur, Ananthapuramu)

Accredited by NAAC with 'A' Grade

1. Teaching & Learning Activities.

- All the academic departments were audited to see if documents are being maintained properly documents and are in order. The results of the audits indicate that files are in order.
- It was found that teaching learning related documents are being maintained properly in all departments.

a) Result Analysis of each course and semester.

- Results analyses must be carried out by all departments, and improvement plans need to give special attention to slow learners.

b) Attainment of COs, PSOs, Pos.

- The principal advised that the attainment of course outcomes, POs and PSOs be taken up once the examination process is completed.

2. Industry Institute interaction.

- The principal instructed the placement office Mr. O. Home Keshav To look into and set up additional online internships for students in prestigious research institutions and industries.
- The principal instructed the IQAC coordinators at the department level to direct their departments to encourage students to engage in industry-focused projects as part of their final year project work in order to improve skills necessary for an industrial setting.

3. Workshops/ FDPs/Webinars/Conferences conducted/attended.

- The IQAC Co-coordinators requested the departments to host webinars, FDPs, and other events centered around cutting-edge technologies. Additionally, they asked faculty members to take part in a variety of online events, including webinars, FDPs, and workshops. All of the activities should be accurately documented by the responsible department.

4. Collaborative activities.

- The principal recommended that the faculty members promote student participation in virtual internships organized by esteemed universities to gain exposure at a national level.
- External members recommended to the IQAC committee and the Placement Officer to undertake measures for identifying proficient external trainers. These trainers would be tasked with providing appropriate training to students in high-demand areas, thereby bolstering placement prospects for the forthcoming academic year.

5. Research, Consultancy and quality publications.

- The principal appreciated the faculties of the various departments who had articles published in journals on the SCOPUS/UGC CARE List and encouraged them to keep up the same.
- The principal instructed to all HOD's, to motivate their faculties to apply for UGC/ICSSR research funded projects and also file the patents.

IQAC meeting concluded with a formal vote of thanks proposed by the coordinator.

1. Teaching & Learning Activities.

- The IQAC coordinators advised the members to instruct the faculty members to take up Swayam NPTEL MOOCs certification courses to improve their skills.
- Principal appreciated the IQAC team members for their effort and hard work provided during the time of NAAC Peer Team visit.

2. Status of AICTE 360 Feedback-Departmental Coordinators.

- Appointed departmental coordinators to oversee the implementation of AICTE 360 feedback.
- Monitored the progress of feedback collection and analysis.
- Initiated corrective measures based on feedback received from stakeholders.

3. Workshops/ FDPs/Webinars/Conferences conducted/attended.

- The principal informed to the departments to host webinars, FDPs, and other events centered on cutting-edge technologies. Additionally, they asked faculty members to take part in a variety of online events, including webinars, FDPs, and workshops. All of the activities should be accurately documented by the responsible department.

4. Collaborative activities.

- The principal proposed encouraging faculty members to facilitate student participation in virtual internships offered by reputable universities, aiming to broaden their exposure at a national level.
- External members suggested to the IQAC committee and the Placement Officer to explore strategies for identifying skilled external trainers. These trainers would be responsible for delivering tailored training sessions to students in areas of high demand, thus enhancing placement opportunities for the upcoming academic year.

5. Research, Consultancy and publications.

- The principal congratulated the faculty members from various departments who have contributed research papers to reputable journals, acknowledging and appreciating their dedication and effort.

Teaching & Learning

- All the departments have maintained documents of teaching in prescribed format.
- Students are encouraged to take MOOCs/NPTEL etc. courses.
- New faculty needs to be trained to follow the procedures of IQAC.

Result analysis of each course and semester

- Results were maintained properly by all departments.

Workshops/ FDPs/Webinars/Conferences conducted/attended

- Faculty attending workshops/FDPs is satisfactory. However, Principal has suggested that faculty may be attend domain specific and inter disciplinary workshops.

Research, Consultancy and publications

- Details of publication details were found in the prescribed format with all necessary documents.

Industry participation

- All student projects in Engineering and Management department are conducted in Industry.

Preparedness for NIRF

- Reviewed the institution's current position in the National Institutional Ranking Framework (NIRF) and analyzed past performance data and identified trends in key metrics.
