**Green Campus Policy**

Annamacharya Institute of Technology & Sciences believes that clean, green and pollution free environment provides a serene and pristine backdrop for effective learning. And being eco-friendly is not only a responsibility of the industry and corporate but also education institutions. Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly campus. The institution strongly believes and educates the students towards these practices.

The campus is beautifully landscaped in a lush green stretch of land and it is free from air and noise pollution. Institute implements the following practices towards establishment and maintenance of green campus.

**1. Restricted entry of automobiles**

- Automobiles are strictly restricted in the campus by providing separate parking areas for two-wheelers and four wheelers in the campus near to entrance.
- To reduce the air pollution caused by individual vehicles, the institution encourages mass transportation system. The institution has its own transport system where the buses ply over various places not only the Kadapa, but also to nearby villages. Majority of the faculty and students utilizing the college bus services.

**RESTRICTED ENTRY OF AUTO MOBILES**

ANNAMACHARYA INSTITUTE OF  
TECHNOLOGY & SCIENCES  
C.K. Dinne (V&M),  
KADAPA - 516 003. (A.P.)

## 2. Pedestrian friendly path ways

- Wide and neat pathways with trees full of blossoms are maintained in the campus.
- The faculty and students are using pedestrian friendly road inside the campus and vehicles are parked at requisite parking places.

**PEDESTRIAN FRIENDLY PATHWAYS**

## 3. Ban on use of plastic

- Plastic is a harmful substance for plants, animals' and human life too. It is non biodegradable, lasts for long years creating massive issues in the environment. In this regard, Institute strictly declared ban on the use of polythene and its forms in the classrooms, canteen, student stores and community garden in the campus.
- Appropriate signage creating awareness against the use of plastic are placed at prominent places in the campus.
- In canteen bio-degradable things and steel vessels are used.
- Awareness programs on anti-plastic and plastic free campaigns are organized by NSS unit in the nearby villages.

## 5. Landscaping with trees and plants

- Institute established landscaping with trees and plants in the campus with various kinds of plants planted surrounding them.
- Drip irrigation and sprinklers irrigations are implemented in the gardens.
- The maintenance department is nurturing the gardens and plants with utmost care.
- Tree Plantation programs are initiated by the Govt is organized by NSS unit in the campus.

## 5. Paperless office

- AITK supports the Digital India Program initiated by the Govt, and all the major financial transactions (fee payments, bill payments etc.,) were taken place in digital mode.
- AITK believes in going digital in every possible way and reduces use of papers in most of the academic and administrative processes.
- Institute has ERP system, in which the messages and circulars will be sent to the students and their parents.

PRINCIPAL  
ANNAMACHARYA INSTITUTE OF  
TECHNOLOGY & SCIENCES  
C.K. DINDIGU (V&M),  
KADAPA - 515 003, (A.P.)

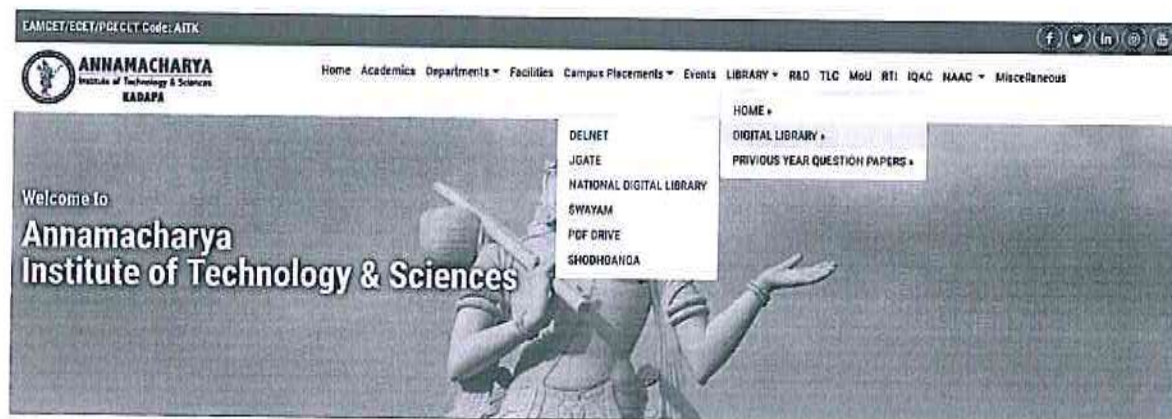

- Social media like whatsapp groups were created for each section (class) for official communications with the students.
- Usage of electronic media like E-mails is preferred for outside communication to reduce the paper consumption.
- Faculty and students are advised to take print on both sides of the paper and use the single side waste paper for rough works.

### Paperless facilities like Digital fee payments & ERP system.

#### 6. Digital Library/E- Learning

- Maintaining softcopies of academic books other relevant content, and membership in various E- journals.
- Providing more readout materials in softcopy and sharing through E-mails and whatsapp groups.
